Description

From its beginnings as the Bertram 25 to its mid life makeover as the Caribbean 26 to its reincarnation as the Caribbean 27, this hull and its design has well and truly stood the test of time.

Powered by twin 250hp MPI Mercruisers the Caribbean 27 in either flybridge sportfisherman or open soft top runabout offers it all. As with all Caribbean boats the 27 has been built to keep the family and the fisherman happy. No other boat in Australia can boast a bigger following or a better more practical layout.
