## Description

This 1989 model 28 Bertram would have to be one of the best on the market. It has been kept in immaculate condition with its current owner not sparing a cent in its upkeep and maintenance. Powered by twin 260hp Mercruisers with only 890 hours and like the rest of the boat the engines and engine room are amazingly clean and well cared for. It was recently slipped, antifouled and both engines fully serviced. The skeg bearings have also been replaced along with the gear cables and batteries. It is a true turnkey boat with nothing needed. Some of its features include, Bimini top with three sided clears, cockpit spotlights, flybridge and cockpit carpet, rear cockpit railing, hot and cold cockpit shower, windscreen covers, cockpit sun awning with extension, Furuno sounder, Furuno GPS chart plotter, Vhf and 27mg radios, Stereo, TV with DVD, 12v electric toilet and loads more. The condition of this boat needs to be seen to be believed and it is a credit to its owner. It will not disappoint the fussiest of buyers.
