Description

Caribbean 24 flybridge delivered new in 2007 powered by a single 5L MPI Mercruiser with only 260 hours from new.

The Caribbean 24 has a generous V-Berth fitted in the bow that also houses the marine toilet, parcel shelves and a huge amount of storage under the berth.

The saloon has the traditional Caribbean open and easy to use feel with a convertible dinette, moulded fibreglass ice box, lower station controls and seating with the galley fitted behind.

This two-owner boat has spent the majority of its life stored in a shed and was originally used in mainly freshwater. The current owner has owned the boat for approximately three years and has now decided to upgrade to a larger vessel.

Having just been recently serviced and antifouled this boat is turn key and ready for summer.

A few of the options and features fitted include:

Three sided flybridge clears

VHF radio

Furuno sounder/chart plotter

Cockpit storm cover

Outdoor carpets

Rocket launcher

Reelax outriggers

Four rod holders

Clarion stereo

Cockpit LED flood light

12v draw fridge

Windscreen covers

Shore power

Extra batteries
