Description

Caribbean 26 Flybridge sports fisherman. This 2009 model is the last Caribbean 26 to be built after a production run that lasted for 20 years. The Caribbean 26 is one of the most popular boats in Australia due to its simple but extremely family friendly layout. The port side is fitted with a lounge and table with a moulded fiberglass ice box positioned behind. There is an abundance of storage under the lounge itself and also in the roomy side pockets. The starboard side contains the lower station with a small galley and sink with cupboards below. This layout works for both the family social cruiser as well as the keenest of fisherman.

This particular example is powered by twin 220hp Mercruisers with only 420 hours. Some of its options include, three sided flybridge clears, Flybridge storm cover, VHF and 27mg radios, rocket launcher, Raymarine C120 GPS chart plotter/Sounder, Cockpit and flybridge carpets, Cockpit storm cover, Rod holders, Removable rear ladder, salt water deck wash and more. A one owner boat that has been berthed here from new. A rare opportunity to own the last ever Caribbean 26 built.
