Description

The Caribbean 28 is without doubt one of the most well known and respected boats to ever hit the water. So much so that its style and design had very little change in its 30 years of production. It is without a doubt one of the most versatile boats to grace our waters and has become a favorite among both game fisherman and family's alike.

Built and delivered in 2000 and powered by twin 170hp Yanmar diesels this 28 ticks every box.

Having just been slipped and antifouled it is a turn key boat ready to go and is loaded with options including.
