Description

The Caribbean 28 is without doubt one of the most well known and respected boats to ever hit the water. So much so that its style and design had very little change in its 30 years of production. It is without a doubt one of the most versatile boats to grace our waters and has become a favorite among both game fisherman and families alike. This particular example is immaculate in its presentation having no expense spared on its upkeep and maintenance. Built in 1997 and powered by twin shaft drive 170hp Yanmar diesels it is loaded with options. Some of the recent work carried out include, slipping, antifouling, Prop speed, new skeg bearings, engine service including salt water cooling system, teak deck treatment, buff and polish and more. A few of the boat's features include:

Transom Door
