Description

Caribbean 35 1989.

In need of two engines this Caribbean 35 is a great project for the handyman. The original motors (Currently not going) are twin 3208 320hp Caterpillar diesels which are still in the boat. The boat has sat for a number of years but is all there. There is an Onan 6.5kva gen set (condition unknown), Flybridge hardtop, Teak cockpit, Transom door, game chair, cockpit fridge unit (working) cockpit bait tank, trim tabs and loads more.

A great project for someone in the marine trade or someone who has the ability to bring this classic Australian boat back to where it should be.
