Description

Caribbean 40 2010 powered by twin 500hp QSC Cummins diesels with only 400 hours.

This one owner boat has been used, kept and maintained to the highest of levels having never missed a service, antifoul or scheduled detail. The family has used the vessel as a family weekender and with the kids now growing up wants to move to a larger boat.

The twin 500hp QSC Cummins that have just over 400 hours on them have always been serviced by the local Cummins dealer with the last service in December 2021. A full salt water service was carried out the previous year on both main engines and gen set.

Just a few of the boats features include:

350kg ADC deck crane

ADC dingy cradle

Four sided flybridge clears

Cockpit sun awning with extension

Full cockpit storm cover

Flybridge dash cover

Windscreen covers

New outdoor carpets

Raymarine E120 display with sounder and GPS

Raymarine auto pilot

VHF and 27mg radios

Stereo with six speakers

Air conditioning

Galley with four burner cook top, convection microwave, U-Tec fridge with separate U-Tec Deep freeze

Bedding package

Bathroom upgrades including Marine deck flooring, granite bench top and polished teak trim

Tv fitted to front cabin

U-Tec fridge/freezer in cockpit

The Caribbean 40 is in our opinion the most versatile boat on the market today with its twin cabin accommodation, huge air-conditioned salon area (with extra accommodation if needed) and massive refrigeration capacity's the 40 is the ideal for those family getaways. The oversize rear cockpit and legendry sea keeping ability and easy maneuverability also make it a favorite among the keen game fisherman. This boat represents a true turn key package for those wanting to entertain family and friends or the perfect blank canvas for those who want to put together the ultimate fishing rig.
