Description

The Cresta 32 flybridge cruiser is a large volume boat with a great size cockpit and very open saloon. All aspects of the boat including the bathroom, galley, saloon and flybridge are spacious and are ideal as a weekender or game fisher.

This particular boat is in need of some cosmetic TLC and would be an ideal project for a handy man. The twin 200hp Volvo Diesels are recent motors with only 250 hours use. The boat will be sold for close to the value of the engines alone and presents a great opportunity for someone to get into a large volume boat at very little cost. Price has just been reduced, must be sold.
