Description

The Maritimo Aegean 60 is a boat full of features and luxuries that has been built and designed by one of the most highly respected boat builders in Australia.

This 2009 model open bridge is a great example of the Maritimo life style that is enjoyed by families around the world. Powered by twin shaft drive C12 Caterpillar diesels with bow and stern thruster complete with a remote yacht controller for ease of berthing and maneuverability. Designed with family entertaining and long distant cruising in mind the 60 Aegean impresses from the moment you step onboard. The transom garage houses a 3m Brigg rigid bottom inflatable powered by a 15hp Yamaha outboard. There is a built in BBQ, storage area, sink unit and fridge all contained at the rear. Stepping up from the rear of the boat into the cockpit you are met with an enormous entertaining area complete with fridge, ice maker, rear lounge and dining table. The sliding S/S rear salon doors open to give easy access to the rear galley that contains a full-size fridge with freezer, four burner cooktop, microwave and dishwasher.

The fully air-conditioned open plan saloon has all the comforts of home with large seating areas, internal stairs to the flybridge, Bose entertainment system and TV. The lower station has full instrumentation, Two 12" E series Raymarine screens with Radar, sounder, chart plotter and night vision camera along with VHF radio, Simrad auto pilot and controls for bow and stern thrusters.

Stepping down into the cabin area of the boat there is four separate sleeping quarters to accommodate eight people. The master cabin is a full width complete with ensuite, hanging robes and seating area. There are two bunk cabins, a forward double island berth along with a large bathroom and separate shower. • flybridge is like the rest of the boat, large open and built for entertaining. There is a large rear lounge and seating area complete with fridge and sink unit. The driver's station is forward giving a 360-degree view and houses all engine controls and instrumentation including two 12" Raymarine displays.

Access to the bow area is made safe and easy with large walk around decks leading to the forward sun lounge, rope lockers and anchor winch.

Just a few of the features include:

Four cabin two bathroom layout

Rear garage with Brigg tender and outboard

Rear BBQ area

Cockpit fridges and ice maker

Cockpit sink unit

Teak laid cockpit and walkways

Large sliding S/S rear doors
