Description

Riviera 3000 Offshore

2000 model powered by twin 200hp Volvo diesels. One of Australia's most popular sports cruisers the Riviera 3000 ticks every box with its family friendly layout and the reliability and maneuverability of twin shaft drive diesels.

This particular example has been fitted with a custom-made S/S full length bimini top to offer plenty of cover on those hot summer days. The family friendly layout gives you a great seating area with an L shape lounge, table, sink unit and cockpit fridge. Heading below into the main cabin there is a large island berth with storage, lounge, galley area with fridge and a bathroom with shower, sink unit and vacu-flush toilet.

Some of its features include:

Fusion stereo system, TV with DVD, Full length bimini cover with four sided clears, VHF radio, Auto pilot, Trim tabs, Remote winch with chain counter, Dash cover, Fender cleats, Rod holders and more.

The current owner who is looking at a larger boat has just recently had the Starboard engine completely rebuilt and the Port engine fully serviced including all coolers. The boat was just slipped and antifouled with the hull being polished while out of the water.

Currently here at Sylvania Marina and available for inspection 7 days a week.
