Description

This 1988 model Riviera 38 powered by twin 61 series 305hp Volvo diesels with only 730 hours. The current owner has not spared any expense on its upkeep maintenance and upgrades. It presents in absolutely stunning condition for its age and would suit the fussiest of buyers. Some of its features and upgrades include, extended hard top over the flybridge, four sided flybridge clears, Simrad chart plotter/sounder, Raymarine auto pilot, VHF and 27mg radios, flybridge stereo system, teak cockpit, teak covered marlin board, game poles, rod holders, galley fitted with stone bench top, microwave, two burner cooktop and 12v fridge, full length cockpit sun awning with shade cloth enclosure, windscreen covers, flybridge dash cover, davit and dingy cradle fitted to front deck, 6.5kva Onan gen set, inverter, battery charger, cockpit U-Tec fridge, bow and stern thrusters with remote, anchor winch, TV in saloon with digital receiver, TV in front cabin, Lectra San toilet system with holding tank plus loads more. Boats of this condition and fitted with this amount of options and upgrades do not come along every day. A very rare opportunity to own such a well maintained and well fitted-out boat.

The current owner is looking to down size so will look at a smaller boat as part trade.

Dimensions
