Description

Built in 1998 and powered by twin shaft drive 350hp 3116 Caterpillar diesels with 700 hours this immaculate Sea Ray 40ft Sedan Bridge would suite the fussiest of buyers. Being in the same family for the last 14 years this boat has never missed an annual service or slip and has always presented in superb condition. The two cabin, two bathroom layout is ideal for those who want accommodation for two couples or a growing family. In total the boat can easily accommodate up to eight people. The layout is typical Sea Ray, extremely smart, with a large spacious air conditioned saloon with leather upholstery on both the port and starboard lounges. The Port side lounge can easily be converted to another berth with the push of a button as it is fitted with an electric slide out. The step down galley is fitted with a full size fridge, cooktop, microwave, inbuilt cocktail maker and an abundance of storage in the draws, cupboards and inbuilt pantry. Port side cabin can be either twin single beds or easily converted to a double. The master cabin is air conditioned and has a large island berth and ensuite with separate shower. The flybridge is large enough to be another saloon with a wraparound lounge, table and sun bed all covered by a near new bimini top and four sided clears.

The boat is loaded with options and features including recently replaced 6kva generator with only 127 hours, Teak cockpit, Teak marlin board, Transom door, Teak flybridge flooring, Rear davits with 2.8m Zodiac ridged bottom inflatable and outboard, Removable rear table, BBQ, Rear shade cover, Inverter, Battery charger, Front deck sun bed, Ducted vacuum system, Twin air conditioning units, Two flat screen TV's, Stereo system, Bow thruster and loads more. A very rare opportunity to own such a well-cared for and optioned boat.
